

Your web presence is extremely valuable - reliability and speed of execution are critical. With Managed Hosting, our already great technical support is taken to another level, helping you achieve your objectives faster.

COMPLETE SUPPORT FOR INMOTION HOSTING SERVER SOLUTIONS

LAUNCH ASSIST™

Launch Assist™ is available for you to use anyway you need. It includes two hours with the Managed Hosting Team, so you can get your server setup by the experts.

Common uses:

- Advanced site mover
- Reseller site mover
- Application setup
- Professional consultations
- Security setup

Launch Assist™ is available for only \$199 for our Reseller customers.

Managed Hosting is the best way to get going fast and keep your server performing optimally.

AN EXPERIENCED TEAM DEDICATED TO YOU

Managed Hosting customers have exclusive access to our Managed Hosting Team comprised of highly experienced and technically savvy individuals. They are the web hosting experts and will give you the solutions you need.

ONE-ON-ONE CONSULTATIONS

Our team provides high level consultations to address any and all of your concerns or ideas. Simply tell them what you are trying to accomplish, and they will tell you the best way to achieve it. Better yet, they can do all the work for you.

YOUR PERSONAL IT TEAM

Think of Managed Hosting as your personal IT team – they are here at your direction and will implement what you need. They will give you best fit solutions that you may have not even thought of.

A SMALLER TEAM DEDICATED TO YOU

Managed Hosting customers work with a smaller pool of support staff. With every phone call, you will hear a familiar voice. Our team is devoted to understanding you and your needs.

MANAGED SERVICE AT AN AFFORDABLE PRICE

We have three levels of service available. Our monthly rates are low because we understand that great service shouldn't break the bank. With a 3, 6, or 12 month commitment, you're not trapped in a high-cost plan.

The Managed Hosting Team is available during the hours of 9:00am–9:00pm EST, Monday to Friday. When the team is not available, please contact our 24/7/365 Live Technical Support via live chat, email support@inmotionhosting.com, or call 757-416-6575 option 2.

AFFORDABLE MANAGED HOSTING FOR YOUR SERVERS

Purchase a subscription for affordable service.

MANAGED HOSTING SOLUTIONS

Don't see what you need below? Give us a call and ask, "what can Managed Hosting do for me?"

ENHANCED SECURITY MEASURES	We will implement the best solutions that will keep your server locked up. From setting CSF/LFD or OSSsec, we will keep you secure.
PLATFORM OPTIMIZATION	Our team is highly experienced at optimizing some of today's popular open source applications, server LAMP software, and Linux CentOS.
CUSTOM CONFIGURATION SUPPORT	Custom hardware configurations, increases in RAM, disk space, or implementing a server cluster... we have it covered.
BEST-FIT SOLUTIONS	Tell us what you need and we will find the right solution for you.
UPTIME SOLUTIONS	We take the time to understand your application. This lets us maximize uptime and ensure your application does not negatively impact server performance.
